CRESTVIEW HIGH SCHOOL

Route 1

Construction Comes To Crestview

A \$720,000 Bond Issue was passed in November, 1969, by the citizens of the Crestview School District for the purpose of adding additional classrooms for high school students and to provide for separate classroom areas for 7th and 8th grade pupils on the high school site.

Bids were received in April, 1970, and construction started in June, 1970, with a completion date established for July 1, 1971.

The new addition will provide the community with a high school that can house up to 550 pupils and a junior high area that can house up to 300 pupils. If, because of a fast increase in community growth in future years, it would be necessary to have a high school to house 800 to 850 pupils, the present facility could be used for that purpose and new housing could be constructed for junior high pupils as the need would dictate.

The young people who attend and graduate from this high school in coming years should provide living proof of its value to the community.

Mr. Oswald and some senior boys contemplate the situation.

When water problems arise, guess who gets to help take care of them!

How 'bout a brick, somebody??

Getting the job done.

1971 CRESCENT DEDICATION

The Senior Class of Crestview High School dedicated the 1971 CRESCENT yearbook to Mr. H. Doyle Davidson.

Mr. Davidson, -Senior Government teacher, attended Shepherd College in West Virginia and received his Bachelor's Degree from Kent State University. He also received a Master's Degree from Ohio University.

Besides Mr. Davidson's teaching assignments, he is Head Football coach, Junior High Wrestling coach, and Assistant Track coach.

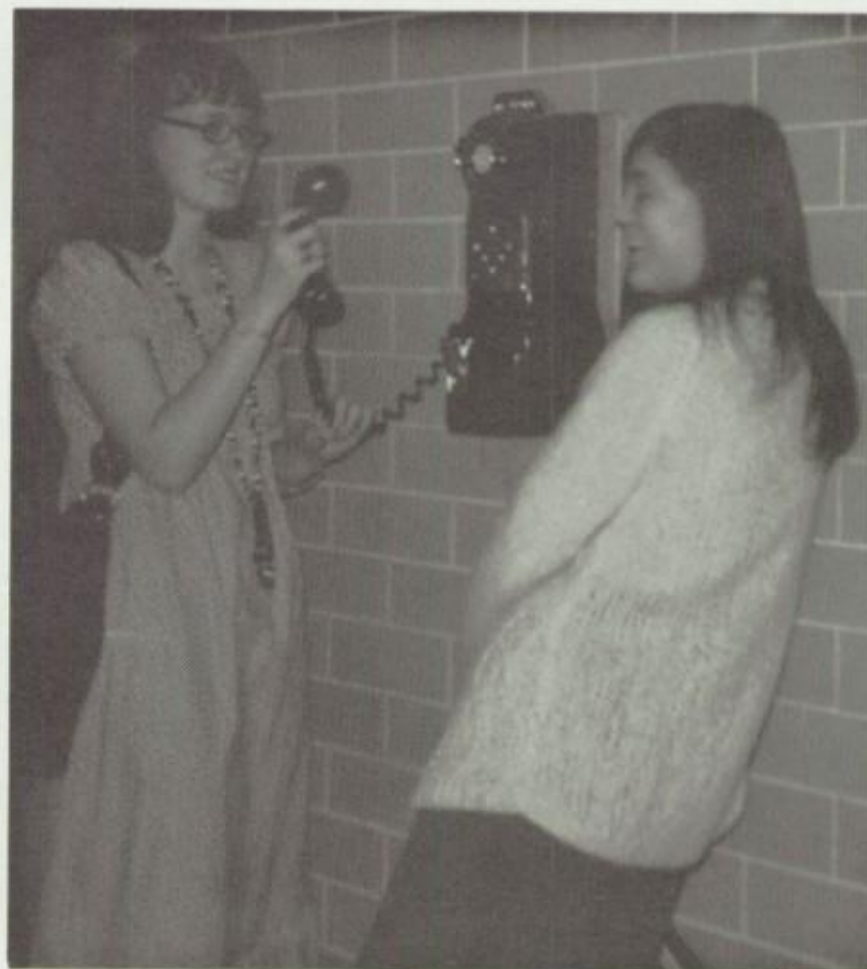

The 1971 CRESCENT is dedicated to Mr. Davidson, not only for his classroom subject instruction, but also for his help in teaching us how to think critically on our own, without having someone tell us what to think or which way to lean when we do think. He has helped some of us realize where certain things stand in the world today and where we stand also. He has taken the time to help get us headed in the right direction.

Mr. Davidson has not only taught us as a group, but as individuals, and has showed us that he really cared about each and everyone of the Seniors of 1971.

On May 27, 1971, For The Senior, It

May 27, 1971 dawned clear, but cool, and very windy. At the high school, a large group of seniors, along with their advisors, Mr. Oswald, Mr. Miller, and Mrs. Swingle, with Miss Dinsmore, boarded two chartered busses for the start of the Annual Senior Class Trip.

This year's destination was Cedar Point on Lake Erie. Here the group spent a fun-filled day on the rides and the midway. Fun, food, and friendship made the day a big success.

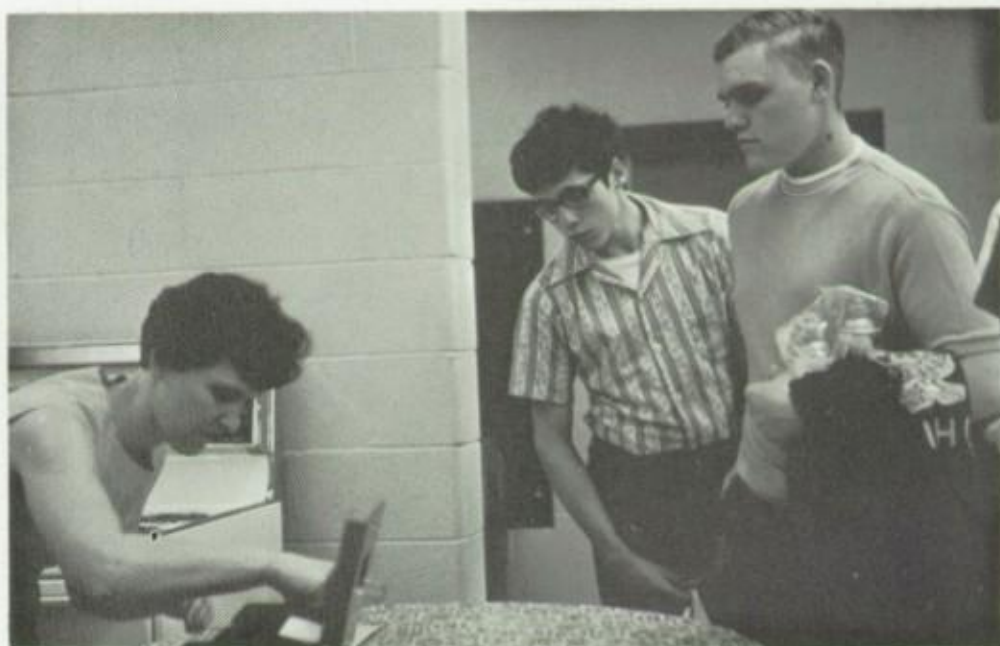

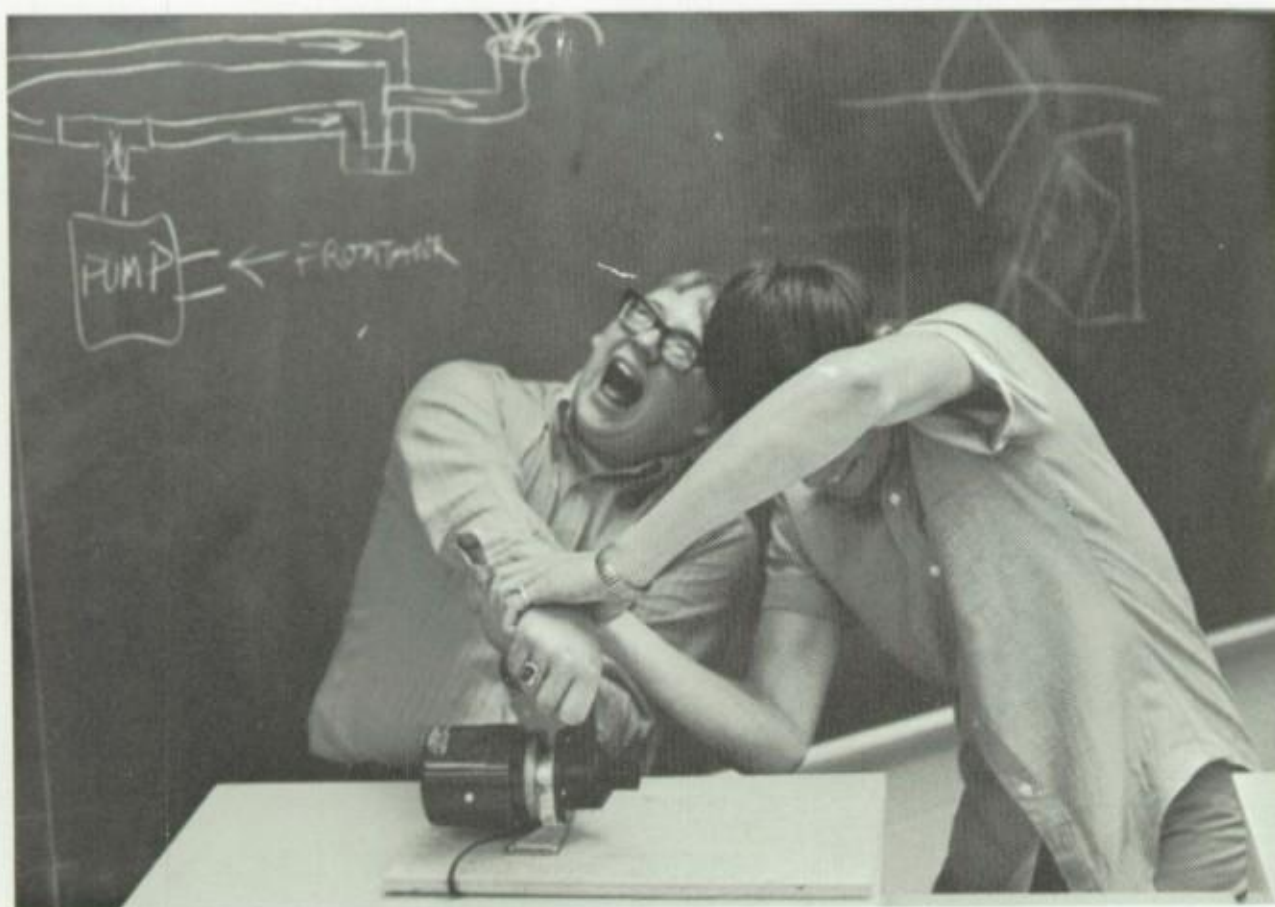

Was Cedar Point Or Bust!!!

Baccalaureate was held at 2:30 and Graduation at 8:00, in the Crestview Gymnasium. The class sermon was delivered by Rev. Donald Cox of the Pleasant Valley Baptist Church University.

The Class was introduced by Mr. McVicker and Mr. Dale Mawhorr presented the diplomas to the class members. There were 13 honor students this year.

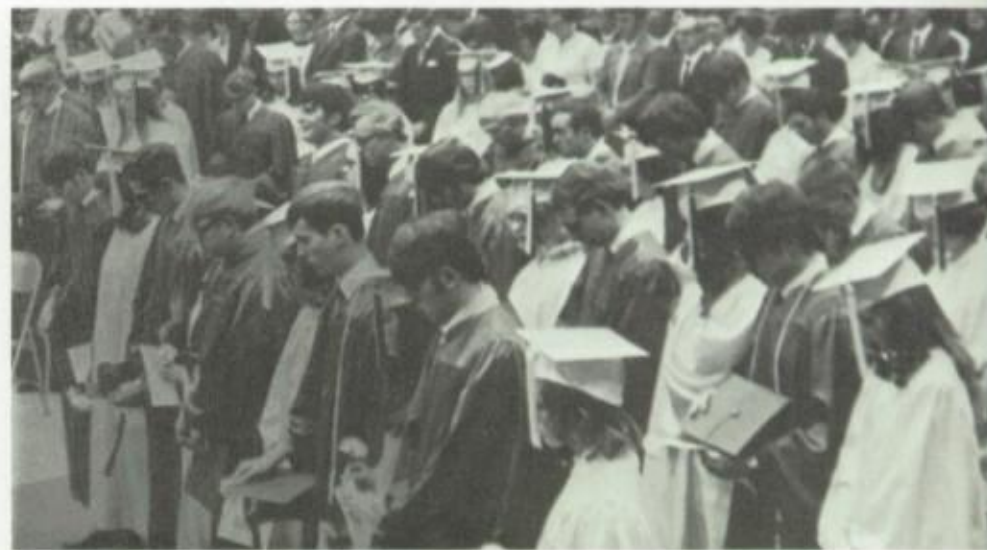

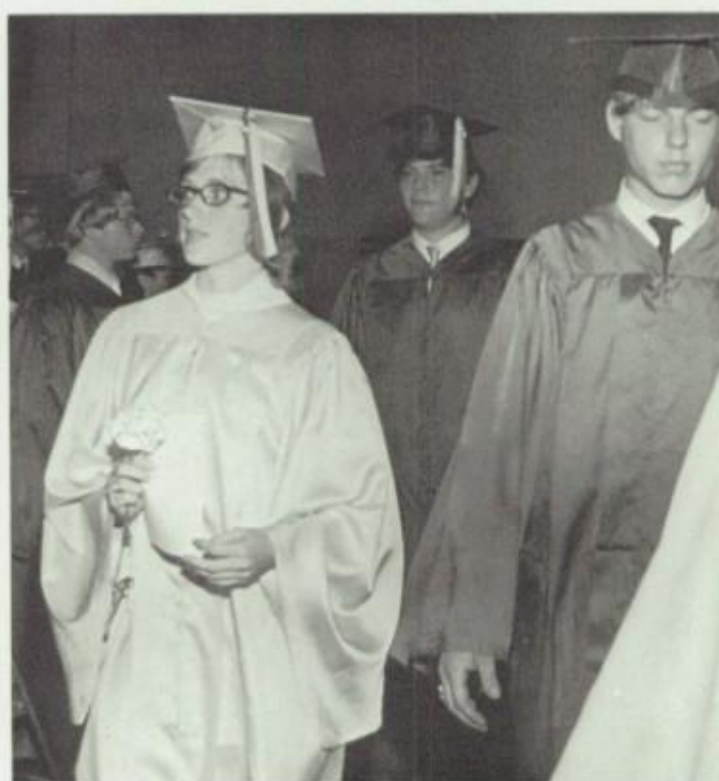

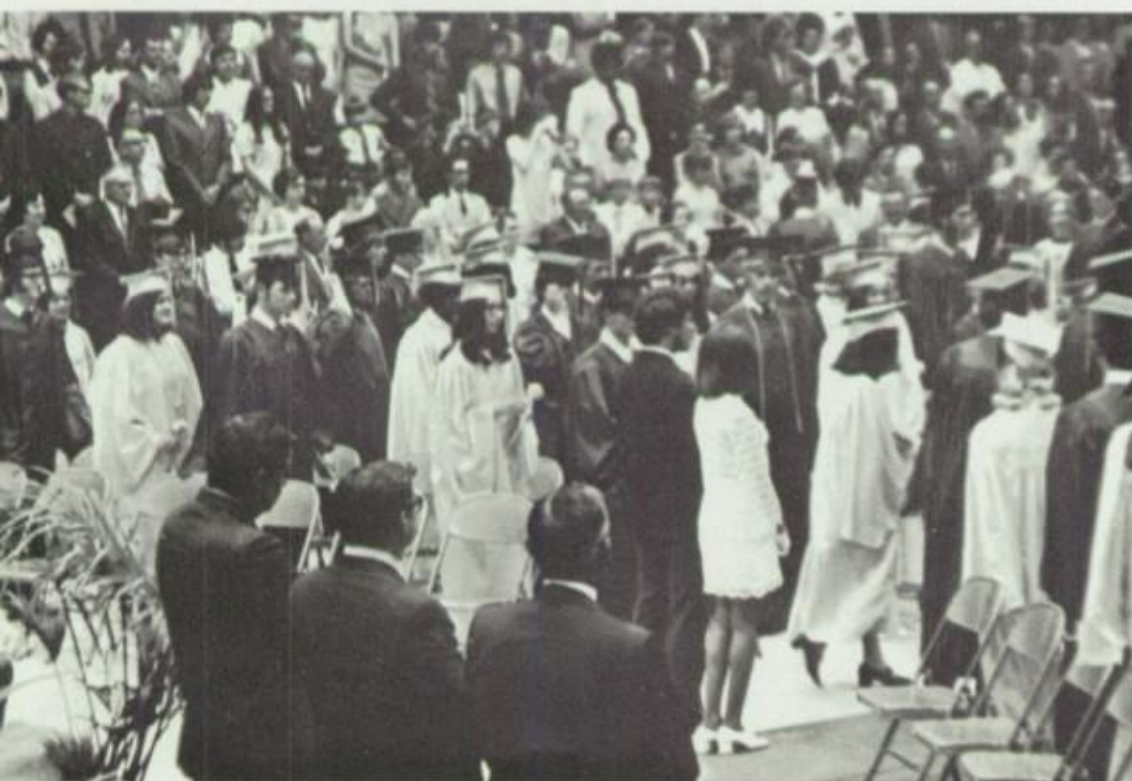

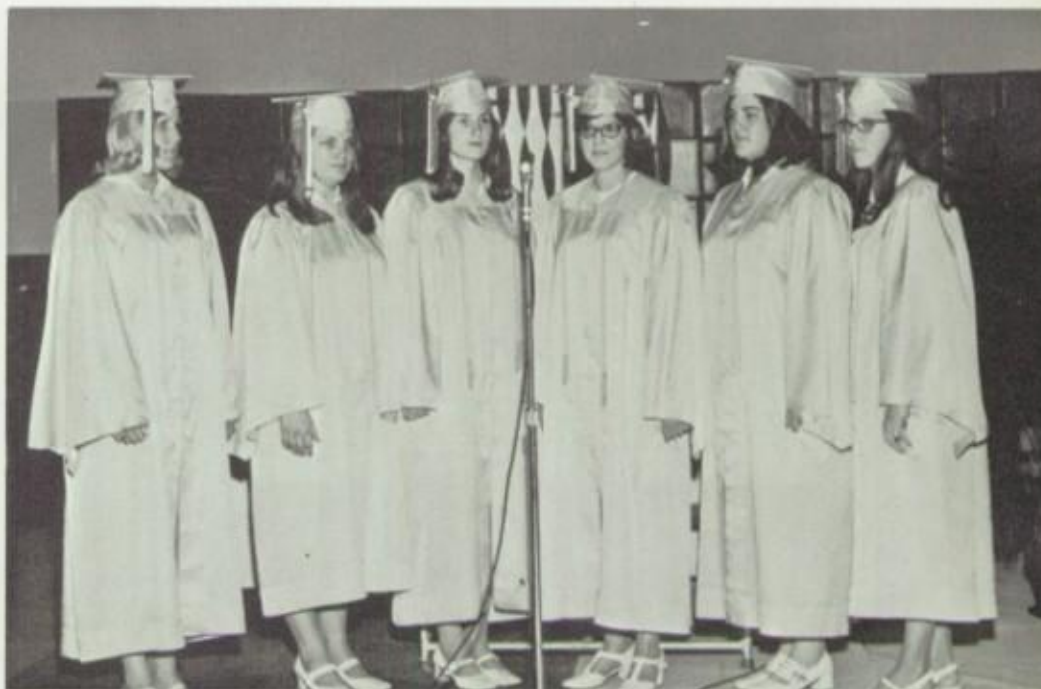

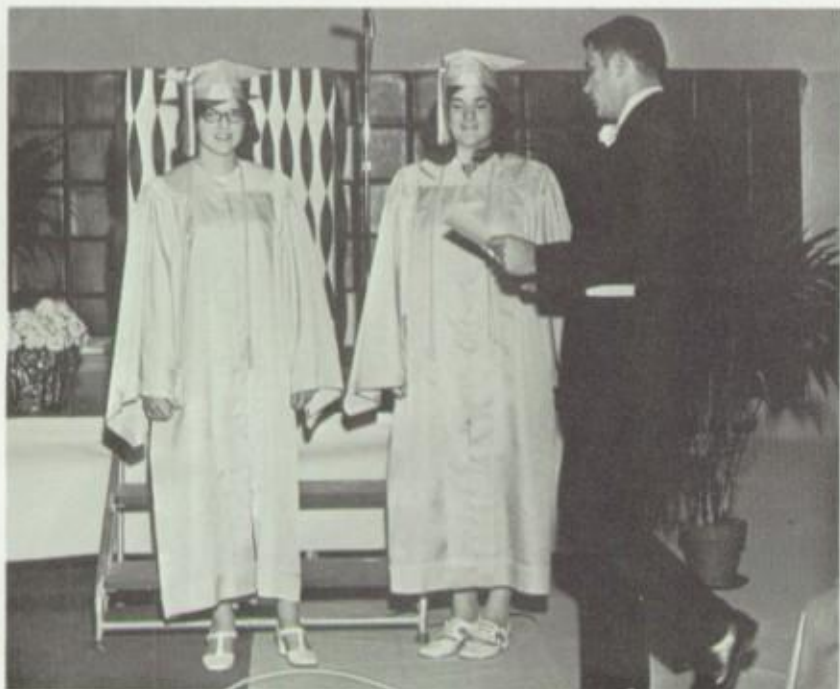

"Let There Be Peace On Earth"

Let It Begin With Me

Let there be peace on earth
And let it begin with me;
Let there be peace on earth,
The peace that was meant to be.
With God as our Father,
Brothers all are we.
Let me walk with my brother--
In perfect harmony.

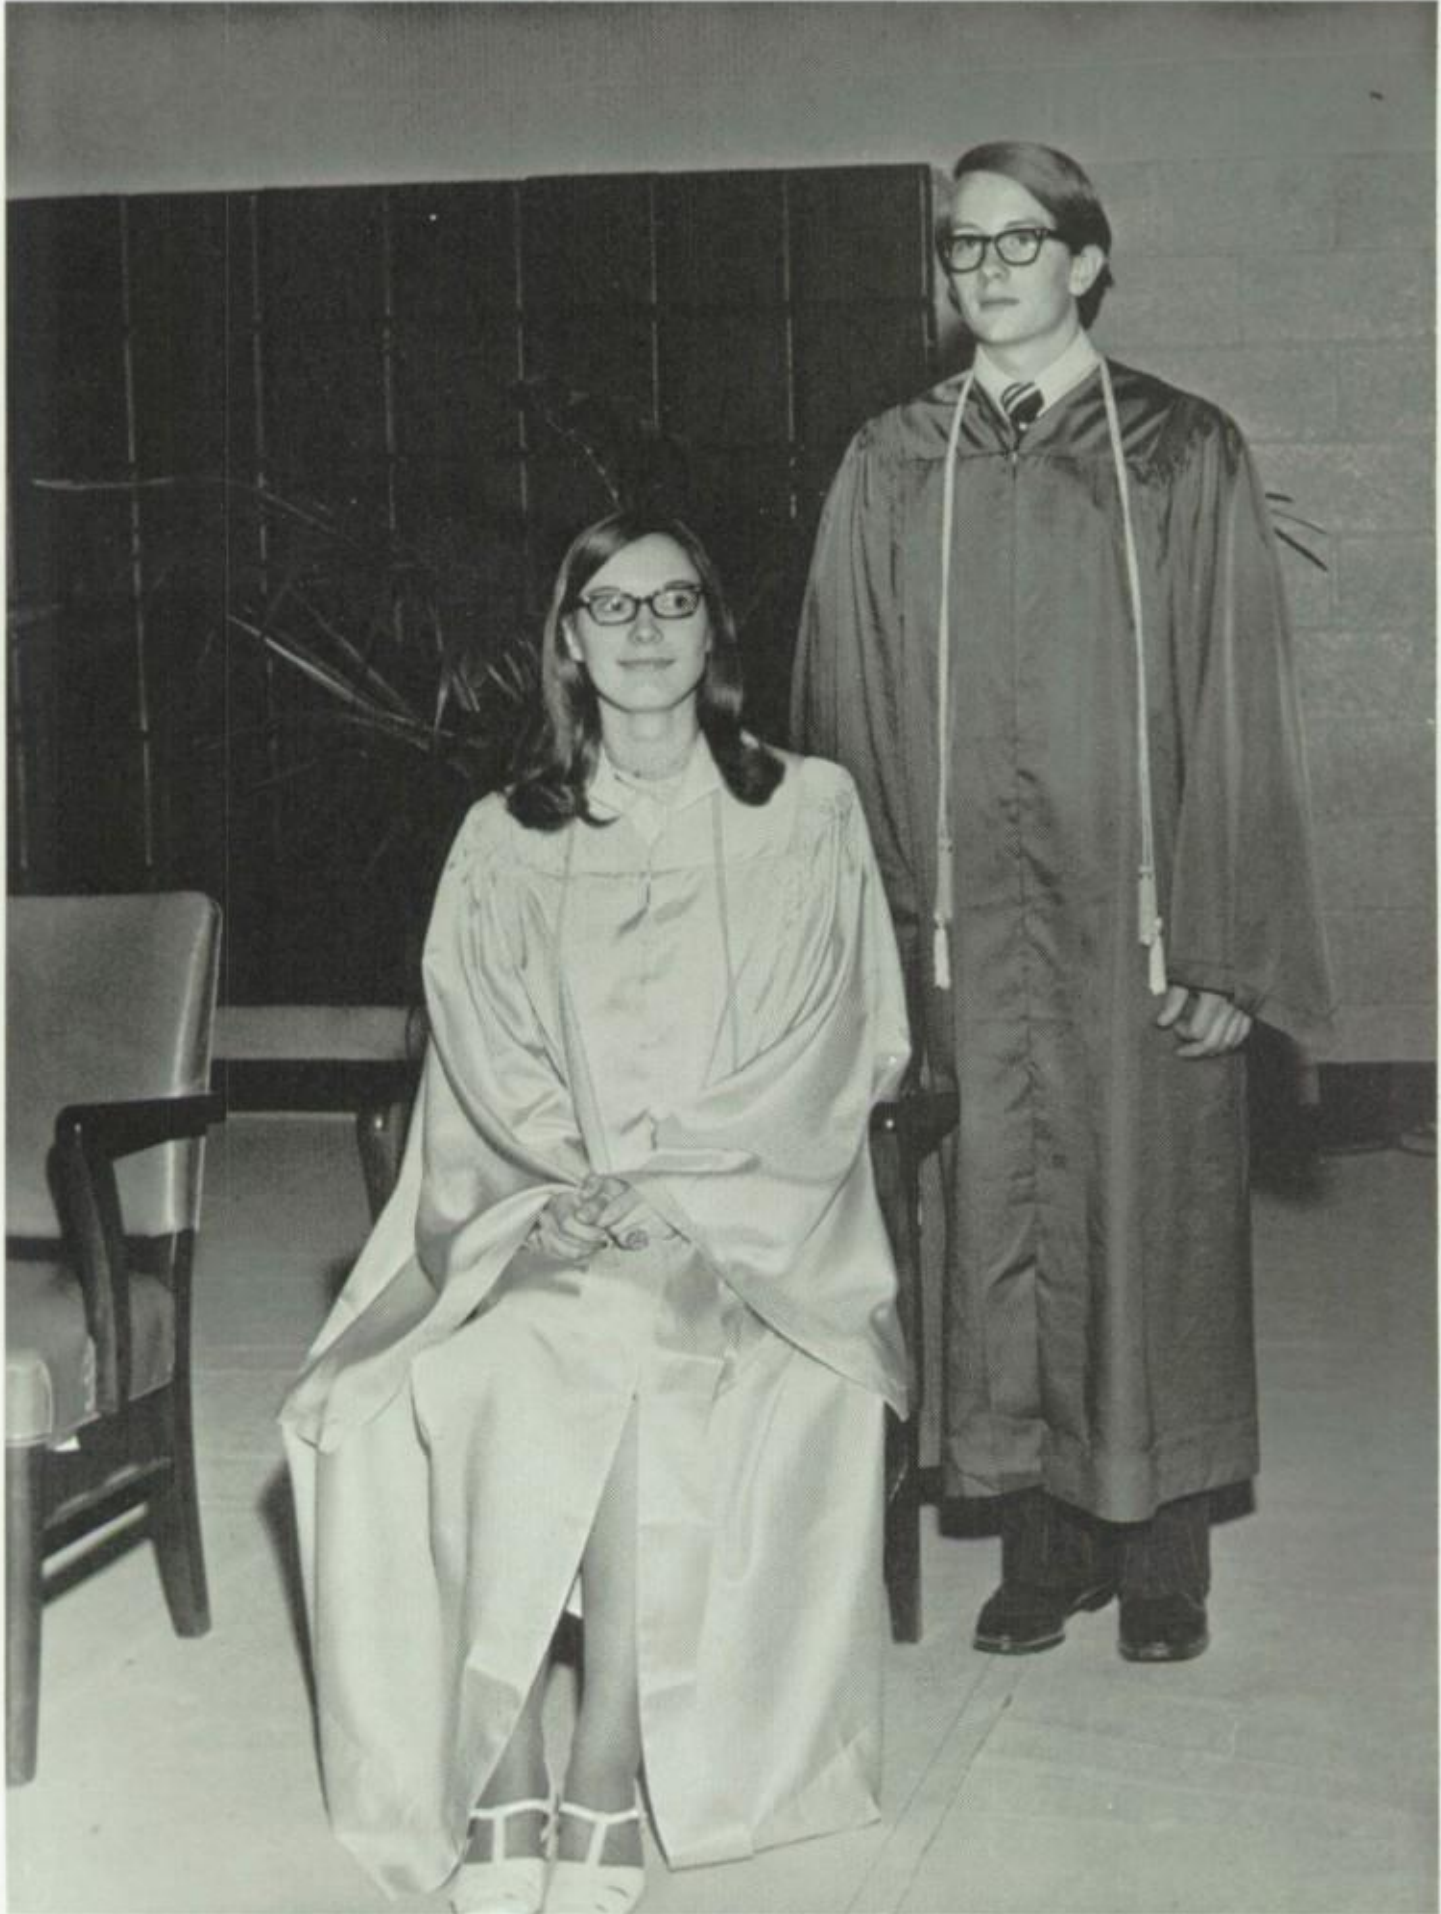

Let peace begin with me,
Let this be the moment now.
With ev'ry step I take,
Let this be my solemn vow.
To take each moment and live each moment
In peace eternally.
Let there be peace on earth
And let it begin with me.

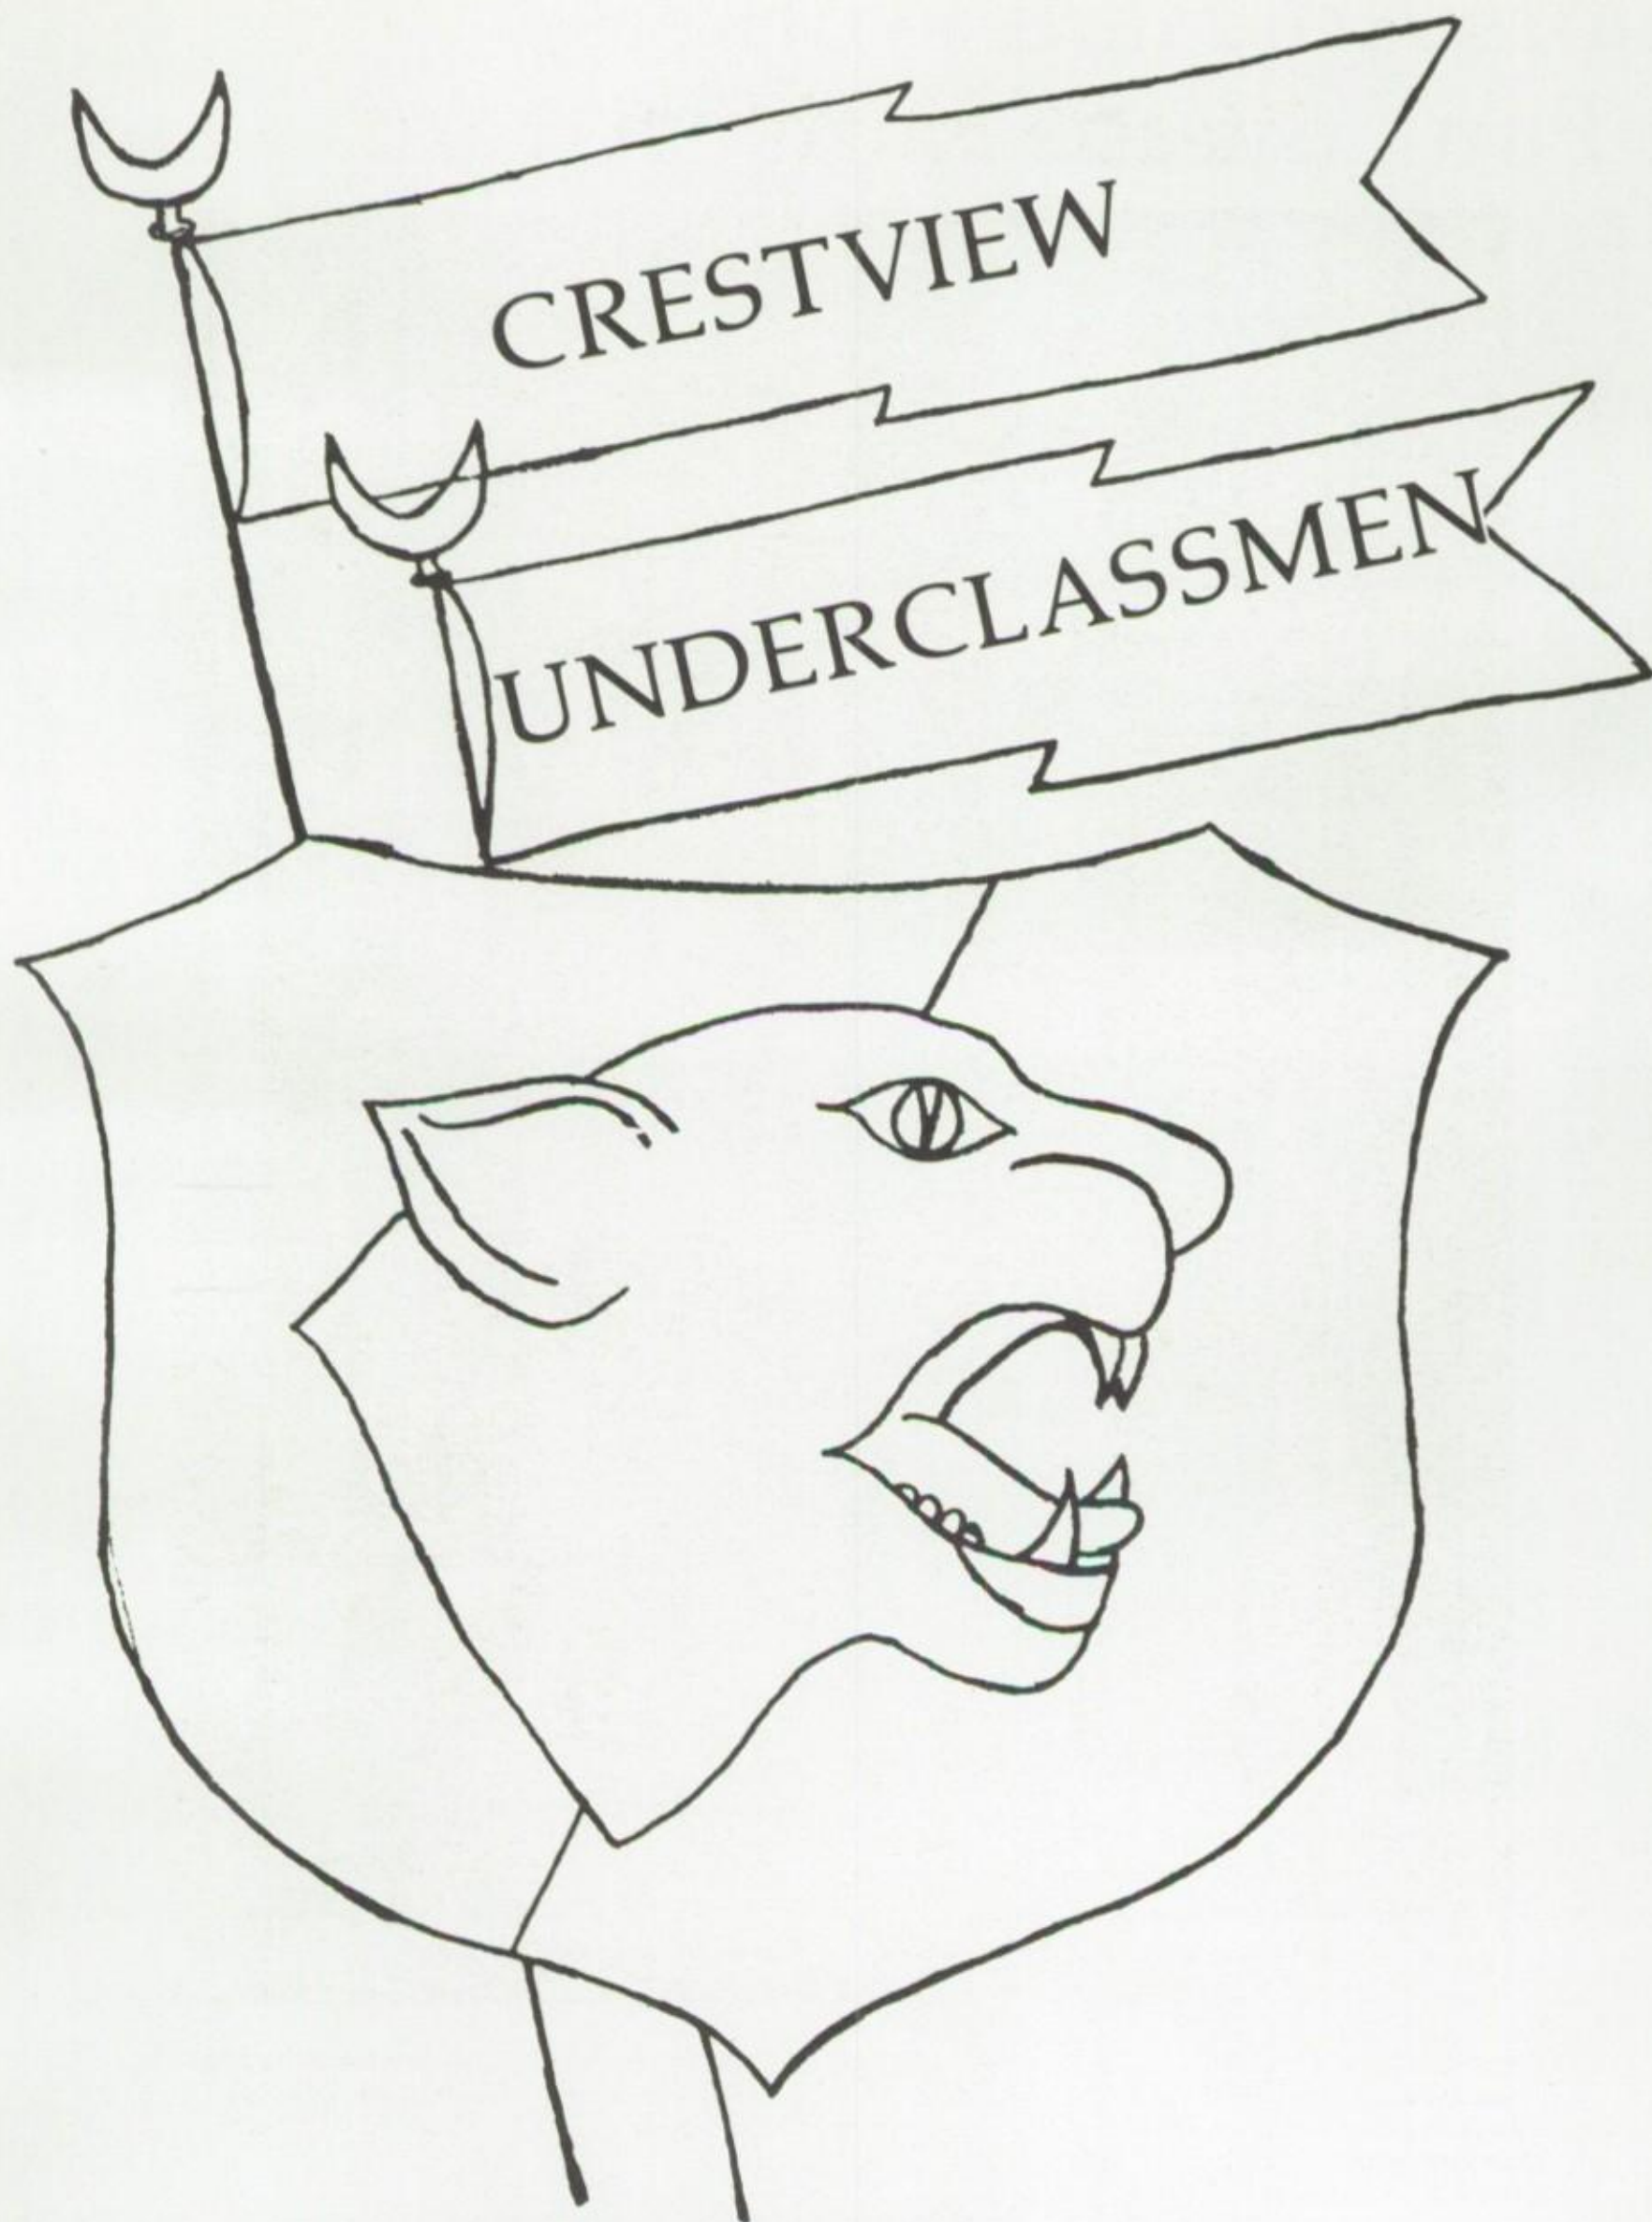

Those Unforgettable Moments

Enthusiastic Marching Band Practices And Performs

The 1970 Crestview Cougar Marching Band in "C" Formation.

Band plays "Fight Song" at home football game.

The first few weeks of school, the band was concentrating on marching. They marched for all the Cougar football games and in three parades. The parades were in Mansfield on Labor Day, the Ashland Halloween Parade and the Ashland Christmas Parade. One of the highlights was the performance at the Ashland County Fair in September.

In November, our attention turned to the concert band area. The first concert appearance was the Winter Concert. Preparations began for the District Band Contest in April. A superior rating and a berth in the State Contest in Columbus were earned at the District.

In May the band played during the Festival of the Arts and also for the Savannah Memorial Day Ceremonies. Another new adventure for the band was a school assembly concert.

It was a very busy and rewarding year for the band--probably the best in the history of the school.

Band members get ready for another practice session on the field.

Majorettes Step Out In Fine Form

This year the majorettes stepped out in fine form with head majorette Vicki Eberts; and majorette Beth Harmon and alternates Sharon Heller and Kathy Showalter. Leading the majorettes this year was feature twirler, Deb Ott.

All the girls attended Olgebay Twirling and Drum Major Institute, held at Bethany College, Bethany, West Virginia. This was a 7-day program designed to help the participants develop both individual and group skills.

Other activities enjoyed by the majorettes, besides halftime shows, were the Mansfield Labor Day Parade, a performance at the Ashland County Fair, and the Ashland Halloween Parade.

Practice makes perfect.

Chorus Sings Through A Busy Year

Chorus performs at Christmas Assembly.

This year's chorus presented its first program in December at the annual Christmas Concert. After this performance, preparation for the All-County Choral Festival held at Clear Fork was started. At the festival our chorus sang two selections and received comments from guest conductor, Maurice Casey of Ohio State University. We also sang in the massed choir at this event. In May the chorus sang a concert as a part of the festival of the Arts. Our year concluded with a selection for Baccalaureate.

Early in the fall, the club and a few of the interested art class students went to an Art Show at Ashland College, where we viewed a number of paintings, toured the art workshops, and had the different sections of the Little Theatre explained to us.

Many Art Club members did school service projects by decorating the halls and library, and working on scenery for the elementary Christmas program.

In March a representative from the Famous Artists' School, presented a program.

The Club attended the Spring Student Art Show at Ashland College and had an art show and sale of our own in May.

The Student Council is traditionally in charge of Homecoming and May Day activities. This year the committee worked hard for a more relaxed dress code.

Among the Student Council's other activities were a Christmas assembly and a Christmas Decoration contest, a Valentine's Day Dance, an assembly featuring the singing group, the Caldwell's, and devoted a week in March to helping support our Prisoners of War.

Carol Bishop and Barb Dunn display winning POW posters.

FFA Serves During Busy Year

This has been a busy year for the Crestview FFA. Many activities have occupied the time of its 51 members. One of the major activities was the annual parent-son banquet held in March and toastmastered by President Dennis Caudill, where awards were presented in recognition of the members' accomplishments in the past year. Tom Shoup was named "Star Farmer of the Chapter." Steve Ringler and Larry White received plaques for public speaking. Chapter Farmer Degree pins went to 10 sophomores, and the scholarship award was won by Stewart Sherrick. Merit awards were presented to Rex Ramsay for crop production and to Stewart Sherrick for livestock production. Wayne White received the first-year accounting award and Mr. Virgil Yarger presented the FFA basketball team with a trophy for their undefeated season. Barb Dunn was crowned FFA queen with Barb Oswalt and Debbie Bemiller as attendants.

The members participated in many judging contests, placing first in the county and district land judging contests, third in district dairy judging, and seventh in the district general livestock judging contests. Rex Ramsay placed 4th of 110 boys in dairy judging.

Attending FFA camp during the summer were Rex Ramsay, Stewart Sherrick, Brad Dalton, Roger Fulk, and Wayne White. Many members exhibited projects at the county fairs. Roger Fulk won the engineering sweepstakes at the Richland Co. Fair, while Stewart Sherrick showed the reserve champion market lamb at the Ashland Co. Fair.

School and community service projects included pouring a 26' x 80' concrete slab for the Driver Simulator, donating \$50 to charitable causes, and supervising the planting of 500 trees on school grounds.

The Chapter received a silver rating in parliamentary procedure and a "Superior" rating in the State Chapter contest. Stewart Sherrick was among those selected to receive the State FFA Degree.

Crestview owns and operates a line of farm machinery on its rented and school farms. This, along with their seed sales project, finances their activities.

Cross Country Team Reflects Team Effort

The Cross Country team finished its season at Ottawa by winning 5th place in the District Cross Country Meet. The team missed qualifying for the State Meet by 10 points.

Our dual meet record for the season was 5 wins and only 3 losses. This was a good showing for a team that was made up mostly of underclassmen.

This team was an excellent example of "group running," which is important in Cross Country. The team members were close in ability and often the first five runners were only a few seconds apart at the finish.

The team was a fine representative of Crestview High School throughout the season. It was a pleasure to be a part of it.

Football Team Begins "Come Back"

It might seem difficult to find something good to say after a 1-8 record, but there are many fine things to be said about this year's football team. First and foremost, we were able to break a 27-game losing streak when we beat Lucas 2-0. This was only the second shutout in the history of the school.

We also were able to cut our defensive yield from 347 points in 1969 to 186 in 1970. We played the best games in the history of the school against Lucas, Clear Fork, and Fredericktown. We had the best overall defensive record in our history. But perhaps, the most encouraging fact is that we finished the season with 42 boys on the varsity football team and 23 on the freshmen team. Many of these men will be back next year hoping to lead Crestview to its greatest football season.

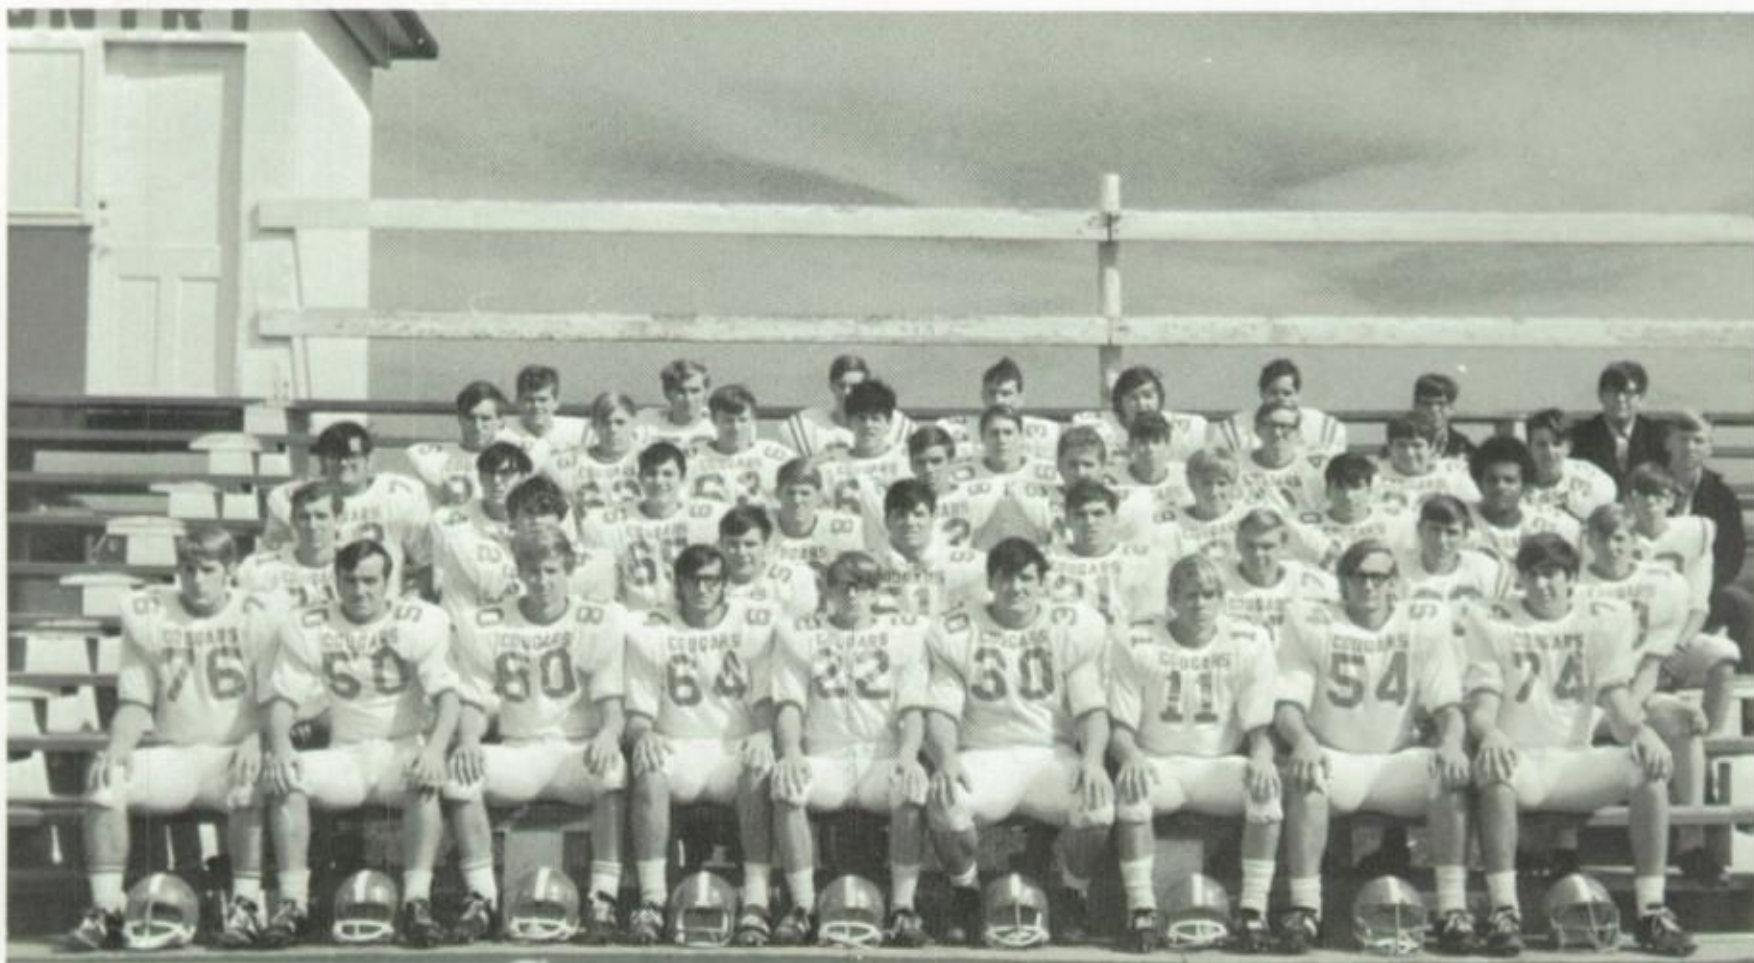

This was the year of the "comeback," and next year should be the year of the "Cougar."

The 1970-71 basketball season was a year of learning and gaining experience. Nine Cougars received varsity letters. Ken Grogg, Dan Magers and Steve Oswalt earned their second varsity letters. As seniors, their experience, leadership, and fine attitudes will be missed next year.

Six underclassmen received first-year awards as well as valuable game experience.

Coupling this experience with hard work and renewed confidence, better things can be in store for CHS basketball.

Football co-captains Ron Stallard and Dan Obrynba with game ball.

Queen Bev Oswalt and Escort Carl Shores are presented to the fans during pre-game festivities.

During Crestview's halftime Homecoming activities, the 1970-71 Cougar Marching Band played "Auld Lang Syne" in honor of senior band members: Carol Bishop, Mike Bray, Barb Dunn, Cindy Eberhardt, Vicki Eberts, Becky Feazel, Debra Fitch, Ken Funk, Marvin Galloway, Ralph Gloisinger, Carol Greenawalt, Jodi Hardgrove, Pam Hartsel, Rick Levering, Barb Oswalt, Steve Oswalt, Betty Powers and Laurie Sherrick.

Homecoming — October 30, 1970

October 30 was the date for the 1970 Homecoming Activities. Kena Bishop, 1969 Queen, crowned Bev Oswalt during the pregame activities as 1970 Homecoming Queen. Then Queen Bev presented the game ball to the co-captains, Dan Obrynba and Ron Stallard.

That evening, the Student Council sponsored the annual Homecoming dance during which the Queen and her court were presented. The court included: Junior Queen and escort--Bev Oswalt and Carl Shores; Freshman--Debbie Powers and Jim Pfister; Sophomores--Joan Bryan and Tim Pfister; Juniors--Cindy Mawhorr and Mike LeMaster; Seniors--Jane Ann Hergatt and Dennis Caudill. The dance brought the 1970 Homecoming Activities to a close.

The Queen and her court show anxiety during a crucial moment in the football game.

Dennis Caudill urges his teammates to get the ball and go, during the Homecoming football game with Loudonville.

1970 HOMECOMING ROYALTY--Jim Pfister, Debbie Powers, Freshmen; Tim Pfister, Jean Bryan, Sophomores; Queen Beverly Oswalt and Escort Carl Shores; Jane Ann Hergatt, Dennis Caudill, Seniors; and Cindy Mawhorr, Mike Lemaster, Juniors.

1970 Homecoming Queen and her Court surround the Homecoming Dance Decorations.

Onions In The Stew Presented By The

A delightful comedy filled with humor and uproarious incidents--held on November 19 and 20, 1970, at the Savannah Elementary School-- This play was much more than just an evening of laughter. There is a rare understanding in it of young people and a valuable lesson in getting something truly worthwhile from life. The title appropriately comes from this line-- "where hearts are high and fortunes low--and onions in the stew."

NO, NO, NO! Do it my way!

Mrs. Pleis, Junior Class advisor, and Chris Myers, Prom King, look on as Fred Tuttle, Junior Class President, crowns Karen Niman, Queen of the Prom.

1971 Junior-Senior Prom Royalty, Gary McGraw and Debbie Baker, Prom Prince and Princess, and Karen Niman and Chris Myers, Prom King and Queen, are congratulated by Fred Tuttle as they begin their reign over the "Evening in Venice."

Evening In Venice"

Mary Ellen Hulit and Chris Myers chat with Carol Greenawalt and Mike Baker along the streets of Venice.

Crestview couples enjoy dancing under the stars in the Venice setting.

The 1971 Junior-Senior Prom was held on May 15, 1971 at the Crestview High School.

"Evening in Venice" was the theme, which included decorations consisting of gondolas, a fountain, a bridge and street scenes depicting an evening in the city of Venice.

The picture room, where Smuckers Studios photographed the couples, was decorated as a garden. A buffet supper was held at a Venetan Cafe from 7-8. The menu consisted of Spaghetti al pomodora, Lasagne, Prosciutto, Piselli, Fagiolini, Insalata Verde, Pane e Burro, Caffè al Latte, Citronnade, Gelati, and Zuppainglese.

The coronation of the Senior King and Queen and the Junior Prince and Princess was one of the highlights of the evening. The 1971 King and Queen were Chris Myers and Karen Niman. Prince and Princess were Gary McGraw and Debbie Baker.

Following the coronation, a grand march was held where each couple was introduced by Junior Advisor, Mr. Lime. Music was provided for dancing until 10:30 when the couples adjourned to the gymnasium to see "The Jokers."

Following the movie, everyone hurried home to exchange their formal attire for more casual wear and off to the Post Prom held at King Lanes in Ashland, where from 2-5 there was dancing, bowling and lots of fun.

Sunday found the Juniors, under the direction of Mrs. Pleis, Mr. Wollam, and Mr. Lime, the advisors, taking down the memories of another Prom.

A Venice fountain is admired by guests at the 1971 Junior-Senior Prom.

Harold E. Daup--Local Superintendent.

"The teacher we intend to send into our public schools in 1980 is today a sixth-grader somewhere in America. He or she must be taught, along with every American boy or girl, about environmental quality, about ecology, and about all of the complex and interacting elements that go to make them up.

"We and they must learn together--and in the spare time we have left, we must begin to write the textbooks for this new educational enterprise. We must think about America as it will be in 1980--a nation with some 235 million citizens with different kinds of teaching and learning programs, and we must do this right now. That future teacher will enter college in 1976, and textbooks will have to have been written and published, courses mapped out, and instructors trained in these new disciplines.

"When we turn these brand-new teachers loose in 1980, they had better know much more than any of us do right now about the problems involved in human survival."

Harold E. Daup
Local Superintendent

Work Together For Future

During this past year, Crestview High School students have had a rather unique opportunity and experience. Seldom do students have a chance to see the daily problems associated with the construction of a building from the ground up to completion. It has been an ideal chance to see how each step or phase depends on the cooperation of every one of the building trades and the architect.

It has also provided a parallel for each individual and his life. As a building is constructed in steps or phases so is the education of the individual. The school building is only a house for an educational program--not the program itself. The individual likewise houses the potential for gaining a good education, but his use of this potential determines the soundness and depth of his education.

May the desire of the Crestview Local School and Community be to utilize the expanded facilities to house the best educational program possible for their children, and may the students utilize the facilities and program for a sound, well-rounded personal education.

ACKNOWLEDGMENTS

The 1971 CRESCENT has been made possible only by the determination and hard work of many people.

I would like to thank all of my staff members for being so patient with me, Smucker's Studios for doing some of our photography and their photographer, Mr. Kisling, Mr. Earl Parks, the American Yearbook Company representative, and especially Mrs. Suzanne Jacobs, our faithful advisor.

Carol Greenwalt, Editor

We sold yearbooks and ads.
